Welcome to a journey of fun & craftsmanship. Step into our Malt Lounge where we have the privilege of hosting Alice Stern is a London based origami artist with a focus on mindfulness and creativity. After spending 2 years in Japan she became fascinated with the beauty and simplicity of Japanese paper art and has been hosting workshops, parties and events in both the corporate and private areas . She combines traditional Japanese origami with more modern and geometric designs, bringing a fresh twist to this art form. This Japanese experience will be further enhanced with a bento box lunch after the workshop.
